

RUBBER STAMP REPS

Advancing the Scam to Cut Taxes for the Rich

Dozens of House members represent districts where the majority of the constituents voted against this administration's platform, yet these representatives are acting as rubber stamps for the White House's extreme agenda rather than working for the people they represent.

Issue Background

The below representatives voted to advance a budget in line with the administration and Mitch McConnell's plan to sacrifice public service programs that Americans rely on, including Medicaid and Medicare, in order to let the wealthy skip out on paying their fair share of taxes. This vote advances a procedural scam to give these unjustifiable tax cuts to millionaires, billionaires, and wealthy corporations on a party-line vote—with only 51 votes in the Senate rather than 60. The bill allows \$1.5 trillion to be added to the deficit over the next decade and directs Congress to offset an additional \$5 trillion for these tax cuts. Some cuts could come in funding for critical domestic programs, including slashing Medicaid and Medicare funding, and repealing funding for Obamacare.

Members of Congress should oppose this budget plan because tens of millions of Americans who rely on public programs could bear the brunt of these misguided, budget-busting tax breaks. This plan slashes benefits like health care and education, and in order for the middle and working classes to have a fair shot, everyone—the wealthy and corporations included—need to pay their fair share.
